# **Creating a Basic Absence**

Sabsence-help.frontlineeducation.com/hc/en-us/articles/115003384728-Creating-a-Basic-Absence

These options may or may not be available, depending on the settings determined by your district. Please contact your System Administrator is you require assistance.

The absence creation process allows you to indicate important details (e.g. your absence timeframe, reason, and other classroom notes/attachments). You can create an absence via the "Create Absence" tab on the homepage or via the "Absences" option in your side navigation.

Looking for more advanced absence options? Click the **Advanced Mode** button (top right corner of the "Create Absence" tab) and reference this article for additional details.

#### **Date Selection**

When selecting your absence timeframe, click on the desired date within the calendar. (The system will highlight your selection in blue.)

### **Pro Tip**

Absences can be created up to one year in advance when created on the web.

#### **Absence Details**

The absence details (i.e. absence reason, time, etc.) are located beside the date selection tool.

Let's go over what each of these details mean:

Absence Details							
SubstituteThis option may already be predetermined for you, but you may have the option to choose if a substitute is needed for this absence. To change the option from Yes to No, just click to move the slider.							
Absence Reason	Choose your absence reason from the dropdown list. (These options are pre-determined for you by your system Administrator.)

#### **Operational Details**

The system also provides a few optional entries (e.g. notes to Admin, notes to Sub. etc.) to further support those will review and fulfill your absence.

The notes you leave for the *administrator* will not be visible to the substitute, but the notes you leave for the *substitute* will be visible to the administrator.
