NOTES: The actual amount paid to any employee from this schedule is determined by the number of scheduled days worked in the school year. "ANNUAL" rates are based on completing the full 190-day work term in full-time status. Rates for less than full-time are prorated. Anyone beginning employment after the annual work term begins will receive prorated pay based on the number of workdays and paycheck cycles remaining in the payroll year.

Salary Schedule placement is based on certification level and creditable work experience. Prior experience must be clearly documented under state rules as part of the credit-evaluation process; therefore, an "EXPERIENCE VERIFICATION FORM" must be completed by the superintendent or designated official of each former employer and submitted to Human Resources before credit may be considered. Each employee is responsible for sending verification forms to previous employers and ensuring completed forms are forwarded to Human Resources.

*Associate's Degree credential is only approved for lead teachers with a grandfathered credential. See Pre-K Operating Guidelines for additional information. **Certification must be in an approved field. See Appendix U of the Operating Guidelines for a full list of approved fields.

To determine salary:

1. Identify the approved credential for the Lead Teacher.
2. Identify the Creditable Years of Experience (CYE) earned.
3. The salary listed for the Salary Step is the total annual salary for a Lead Teacher.

Additional Information:

- Salary Levels are based on the approved credential of the Lead Teacher.
- Salary listed is the annual total salary. The annual total salary includes the base salary for the credential and Step supplement for Creditable Years of Experience earned.
- Step E is the base salary for each Salary Level.
- Insufficient credentials only receive the base or "E" salary step.
- Any teachers on a salary waver only receive the base or "E" salary step for the approved waiver credential level. (Fiscal Year 2027)
